

Access to the ACCJ-FTF Videoconference Facility

From Hibiya Subway, Kamiyacho Station

Take the Tokyo Tower exit and go to street level. Turn left and walk uphill approximately 3 minutes until you come to likura Intersection. Continue across the intersection, and walk about 20 meters to the Masonic 39 MT Building (formerly, Mori Building).

From Oedo Subway, Akabanebashi Station

Take the Akabanebashi Crossing exit and go to street level. Cross the street and walk uphill about 5 minutes on the right side of Sakurada Dori. Masonic 39 MT Building is near top of hill just before likura Intersection.

Take the elevator to the 10th floor and enter the ACCJ reception area. You will be shown to the ACCJ-FTF Videoconference Room.

(For early morning videoconferences before the building opens, please enter through the garage. Elevators can be accessed after proceeding through double-glass doors.)
