

Access to FTF-Park Hyatt Tokyo VC Facilities

A 5-minute taxi ride is minimum fare from Shinjuku Station, or walk 6 minutes on "One Day Street," an underground walkway, to the Washington Hotel exit, then 3 minutes at street level to Park Hyatt Tokyo. (Give yourself a minute to enjoy the underground art display just before reaching the exit to the street.)

Alternately, go by surface from Shinjuku South Exit, about 12 minutes, or 7 minutes walk from Keio Line Hatsudai Station.

GO TO THE HOTEL'S MAIN ENTRANCE, TAKE THE ELEVATOR TO THE 41ST FLOOR AND ASK AT THE HOTEL'S CONCIERGE AREA.
